NE Tarrant Tea Party Searches for New Meeting Facility

Since it's inception in 2009, NE Tarrant Tea Party has been fortunate to have use of a facility donated by the Highland Meadow Montessori Academy. Unfortunately, that school is closing and will no longer be available to our group.

We are currently seeking a donated (or significantly reduced rate) space for our monthly meetings and periodic special events. Our wish list includes the following, but we are flexible:

- ✓ 2000 to 3000 square feet of space
- ✓ Lecture style seating, and occasionally table seating, for 150
- ✓ Kitchen (or at least a sink)
- ✓ Second Mondays of each month – regular meeting
- ✓ Occasional meetings on Thursdays and Saturdays
- ✓ Most meetings are in the evenings
- ✓ Sound system and projection screen would be appreciated, but not required

Our mission statement is: *“promoting constitutional governance in every precinct in our districts, one voter at a time.”* We cover 14 cities in northeast Tarrant County, and we have approximately 1300 members. We are a non-partisan organization, and our goals for our members include educational opportunities, promoting constitutional principles, and encouraging active involvement in all levels of government. Our group is 100% volunteer, and depends on donations from our members and the community for all funding. We are a 501(c)4 non-profit organization and will not have an impact on tax status for any donors.

Our commitment to you if we are allowed to use your space:

- We will always leave the space in better, cleaner condition than we found it.
- We will respect your property, your rules, and your requests regarding use of the property.
- We will honor your donation of the space (or reduced rental rate) by acknowledging the donation at every meeting.
