How did you hear about NE Tarrant Tea Party?

- word of mouth

- Facebook ad
- Facebook post

Mark the boxes for whatever emails you want to receive. We currently have over 100 people in our Emergency Prep group who meet once a week. We haven't done anything with a homeschooling group yet, but I wanted to start collecting that data just in case we get something started. And then you can check if you want all NETTP emails for all subjects and all areas. You can always go back in and change this if it's too much.

Special Groups of Interest

- Emergency Preparation
- Homeschooling
- Send me ALL NETTP emails (even those directed to cities, districts, etc, outside my own)

This next box is MOST important for the 2012 Elections! Will you help walk precincts? It's the best way to help conservative candidates win. Those who mark yes will be divided up by precinct so they can work together to cover their neighborhood. The more who sign up, the easier the task. We have door hangers that will go on the doors of those who have stated they agree with tea party principles, and we're depending on you to distribute them.

I will help walk my precinct/neighborhood.

YES!!! I want to help save America in the most effective way possible!
